SHIPPERS ATTACK ROADS' WAR PLEA

Not Only Interests, It Is Argued, To Be Affected by Conflict's Consequences.

I. C. C. MEMBERS, TOO, PLY QUESTIONS

Frederick W. Straus Tells Commission Higher Freight Rates Are a Pressing Need.

shippers and shippers' associations took the position before the Interstate Commerce Commission to-day that no Commerce Commission to-day that no condition confronted American railroads, as a result of the European war or any other cause, that did not equally affect every other American industry. This contention was the basis for rigid cross-examination of witnesses called before the commission by the Eastern railroads to support their petition for rigid on the transaction not yet expenditude. railroads to support their petition for relief through a general increase of at

east 5 per cent in freight rates. Members of the commission, all of whom were present with the exception of Chairman Harlan, frequently examined witnesses themselves. The attack of Special Counsel Brandeis on tack of Special Counsel branchis of main-taining their dividends without respect to the financial straits in which they professed to find themselves received special attention from Commissioner

Mr. Meyer asked both Daniel Willard, president of the Baltimore & Ohio Railroad, and Frederick W. Straus, of the New York banking house of W. & J. Soligman, if stockholders should not be content to draw their profits part in the improvements of the properties and part in cash. Both witnesses insisted that reduction of dividend would impair credit of the lines.

Pinancial Expert Heard.

Charles A. Conant, of New York, appeared as an expert on linance, in behalf of the carriers, to describe conditions in the money market arising from the European war. He predicted that the railroads would find new capital hard to get because of the many loan floations by belligerent countries. Increased earning capacity was imperative for the railroads, he said, that their securities might be made so attractive that they would find a market.

Counsel for the commission asked him if the probable advance in interest rates would not bear equally hard on shippers seeking new capital, and he admitted, after much discussion, that the shippers would face the same conditions.

be admitted, after much discussion, that the shippers would face the same conditions.

"What remady for these conditions do you suggest?" he was asked.

"So far as the railroads are concerned, permitted to increase revenues," he amiswhend to increase revenues," he amiswhend to increase revenues, "In a miswhend to increase revenues," he amiswhend to increase revenues," he amiswhend to increase revenues, "In a miswhend to increase revenues," he amiswhend to increase revenues, "In a miswhend to increase revenues," he amiswhend to increase revenues, "In a miswhend to increase revenues," he amiswhend to increase revenues, "In a miswhend to increase revenues," he amiswhend to increase revenues, "In a miswhend to increase revenues," he amiswhend to increase revenues, "In a miswhend to increase revenues," he amiswhend to increase revenues, "In a miswhend to increase revenues," he amiswhend to increase revenues, "In a miswhend to increase revenues," he amiswhend to increase revenues, "In a miswhend to increase revenues," he amiswhend to increase revenues, "In a miswhend to increase revenues," he amiswhend to increase revenues, "In a miswhend to increase revenues," he amiswhend to increase revenues, "In a miswhend to increase revenues," he amiswhend to increase revenues, "In a miswhend to increase revenues," he amiswhend to increase revenues, "In a miswhend to increase revenues," he amiswhend to increase revenues, "In a miswhend to increase revenues," he amiswhend to increase revenues, "In a miswhend to increase revenues," he amiswhend to increase revenues, "In a miswhend to increase revenues," he amiswhend to increase revenues, "In a miswhend to increase revenues," he amiswhend to increase revenues, "In a miswhend to increase revenues," he amiswhend to increase revenues, "In a miswhend to increase revenues," he amiswhend to increase revenues, "In a miswhend to increase revenues," he amiswhend to increase revenues, "In a miswhend to increase revenues," he amiswhend to have to have decrease, the undertaking business, or h

Near Collapse as She Pleads Not Guilty in Tombs Court. Edith St. Clair, the actress who was indicted on two counts charging per jury in connection with her suit against Abraham L. Erlanger and the Jury in connection with her suit against Abraham L. Erlanger and the disbarment proceedings against Max D. Steuer, entered a plea of not guilty before Judge Rosalsky, in General Sessions yesterday. In default of \$7.500 bail she was remanded to the Tombs. Miss St. Clair is broken in health, and when she was led into the courtroom was hardly able to support herself. During the proceedings she clung to the rail, and later was assisted back

to the rail, and later was assisted back to the Tombs in a fainting condition. Judge Rosalsky gave the girl a week in which to change her ples or have her attorney make other motions re-garding the disposal of the case.
